

EXTRA FLEXIBILITY. BETTER BUSINESS FIT: DISCOVER THE ALPHASTAFF DIFFERENCE

You seek experienced HR outsourcing expertise without the generic “one-size-fits-all” approach. Our services and support levels are customized to meet your needs – not ours.

COMPLETE SUPPORT: COMPLETELY CONFIGURABLE

No other provider assures you greater flexibility and control than AlphaStaff. Our HR professionals slash your administrative time and cost without cutting corners. We can support any size firm, from startup to several thousand employees. Best of all, our highly-customizable solutions match your business needs today, yet can easily evolve as often as you do.

Streamline administrative tasks

- Improve payroll, tax, benefits and 401k processing efficiencies
- Add scalable HR and legal expertise and support – without full-time overhead
- Reduce cost, time and redundancies with Human Resource Information System (HRIS)

Manage risk and cost of workers’ compensation, safety, employment compliance

- Get experienced help with employment law, workers’ compensation insurance claims, safety practices and other potential liabilities
- Limit your potential risk against costly financial and legal exposure
- Protect your employees and your peace of mind

Mitigate healthcare costs

- Proactively manage healthcare increases
- Provide benefits your employees want – *that you can afford*

Enhance workplace culture for stronger recruiting and retention

- Add the expertise that helps you create a best practices HR environment
- Attract stronger candidates essential to helping your company grow and thrive

Gain ROI-driving business intelligence & insight:

- Benefit from timely employment, wage and benefits benchmarking data
- Add the insights you need to make even stronger business decisions
